

WIAPS APPROVED PLUMBER APPLICATION

For office use only:
New or existing: N/E
Application complete: Y/N
Date approved:
Membership number:

This application is to become a member of the Water Industry Approved Plumbers' Scheme (WIAPS). Membership is open to qualified plumbers and the businesses that employ them ('**Approved Plumbing Business**'). Membership is granted subject to compliance with the requirements detailed in the WIAPS Terms and Conditions of Membership, which can be obtained from the WIAPS [website](#).

PLEASE COMPLETE IN BLOCK CAPITALS

About you

Title: First names:

Surname:

Date of birth:

National Insurance number:

Water supplier:

Section 1.2

Personal contact details

Home address:

Home postcode:

Personal email*:

Home phone*:

Personal mobile*:.....

*We require this information to be able to contact you should you leave your current employer, so that you can maintain your membership.

Section 1.3

Your qualifications

Please go to Appendix 1 – you must tick at least one from section 1.3a or 1.3b and at least one from section 1.3c.

Section 1.4

Individual checklist

Have you enclosed (You must tick all to proceed with the application):

- Proof of qualifications? (**signed** copies of certificates)
- Passport-size photo? (digital or print)
- Completed Appendix 1 (telling us about your qualifications)

Section 1.5

Data protection

WIAPS and WaterSafe are controllers under the Data Protection Act 1998. This statement confirms our commitment to protect your privacy, to process your personal information in a manner which meets our requirements of this legislation and to use your data only for the delivery of WIAPS and WaterSafe in the performance of our legal and regulatory responsibilities. By completing and submitting this information you are confirming that the information you are supplying is correct to the best of your knowledge and you agree to selected contact data being used by WIAPS and WaterSafe.

Section 1.6

Declaration

I confirm the information given is true and accurate, I understand and accept that all liabilities and disputes relating to my workmanship, products installed, charges and anything else connected to work I do as a result of being introduced to customers through WIAPS and WaterSafe are solely my responsibility and the scheme has no liability whatever in any of those respects.

When I have met all the requirements of membership, I understand that my details will be held on an electronic database and may be passed onto personnel in the water industry and those seeking services of an approved contractor.

Signed by individual applicant:

Signed:

Tick to confirm you have read and agree with:

- Terms and conditions of membership
- Code of Conduct

Position:

Date:

How did you hear about the scheme? (tick all that apply)

- My company or a work colleague
- A college
- A customer requested it
- A trade article
- Social media
- A website
- The local water company
- Something else, please specify:
.....

Section 2.1

About your business

Business name:

Address:

Postcode:

Tel: Email:

Parent company (if applicable):

Water supplier (where company is based):

Water supplier (where person named in section 1 carries out the majority of their work):

.....

Social media handle (we use this to promote your company online):

.....

You can follow WaterSafe for regular updates at:

Twitter: @WatersafeUK

Facebook: @WaterSafeRegister

LinkedIn: search 'WaterSafe'

List on website (so customers can find you)

Scope of work fields (Tick all that apply)

| | | | |
|--------------------------------|--------------------------|----------------|--------------------------|
| Emergency plumbing work | <input type="checkbox"/> | Leak detection | <input type="checkbox"/> |
| Household plumbing | <input type="checkbox"/> | Moling | <input type="checkbox"/> |
| Commercial/Industrial plumbing | <input type="checkbox"/> | Pipe freezing | <input type="checkbox"/> |
| Underground pipework | <input type="checkbox"/> | | |

Sanitation (Above ground drainage) (Where individuals hold a gas or heating qualification, they must provide additional evidence of training should they be undertaking sanitation work.)

Liability insurance cover

An Approved Plumbing Business must carry a minimum level of insurance cover in order for you to be accepted onto WIAPS and WaterSafe. The Approved Plumbing Business will be required to hold a minimum of £2 million of public liability cover and where applicable, £5 million of employers' liability cover. If you are a sole trader, only public liability cover is required

Public liability
Employers' liability

Tick to confirm you have provided:

Proof of liability insurance (signed copies of certificates indicating company name, level of cover and period of cover)

Section 2.2

WaterSafe accreditation

WaterSafe offers free promotion through an online directory at www.WaterSafe.org.uk. You will be automatically included on WaterSafe by signing up for WIAPS membership. Water companies refer their customers directly to the WaterSafe website so you could potentially gain more business. Please tell us if you would like to be included in public postcode searches on the website **(Please tick one)**

List on WaterSafe website (customers can find you in postcode searches)

Do not list on WaterSafe website (customers will only see you when they search for your company by name to verify your membership)

Section 2.3

Your last jobs (site-specific)

Please tell us about two recent installations the individual named in Section 1 has worked on. Work to be audited must be able to demonstrate a range of knowledge and compliance within the scope of the Water fittings Regulations in such areas as:

- Backflow protection and prevention
- Approved/compliant fittings
- Workmanship

Where possible, the work submitted is to be at a location where the majority of your work is usually completed. This will enable the appropriate water company to audit your work. This information will be used for auditing purposes only and is subject to the data protection act 1998.

Address (where work was carried out):.....

Contact name:

Contact phone number:.....

Brief description of work:

Address (where work was carried out):.....

Section 2.4

Data protection

WIAPS and WaterSafe are controllers under the Data Protection Act 1998. This statement confirms our commitment to protect your privacy, to process your personal information in a manner which meets our requirements of this legislation and to use your data only for the delivery of WIAPS and WaterSafe in the performance of our legal and regulatory responsibilities. By completing and submitting this information you are confirming that the information you are supplying is correct to the best of your knowledge and you agree to selected contact data being used by WIAPS and WaterSafe.

Section 2.5

Declaration

We confirm the information given is true and accurate, we understand and accept that all liabilities and disputes relating to workmanship, products installed, charges and anything else connected to work we do as a result of being introduced to customers through WIAPS and WaterSafe are solely our responsibility and the scheme has no liability whatever in any of those respects.

When we have met all the requirements of membership, we understand that our details will be held on an electronic database and may be passed onto personnel in the water industry and those seeking services of an approved contractor.

Third-party data

By signing this application we confirm we have the permission of the business and individuals listed in Section 2.3 to include their details where stated.

Signed on behalf of the business:

(By signing this application I confirm I am authorised by the business to do so)
